Repair Charges

This Repair Price chart is a guide to common repair jobs only and prices may vary. When I assess an instrument I decide whether or not a repair job falls into one of the categories below. Please remember instruments need to be brought in the day before I am due to work on them and they cannot be collected until the day after they have been repaired.

| Instrument | Repair Work | Repair Estimate | Materials and Parts Charge | Time estimate |
|---|------------------|-----------------|----------------------------|---------------|
