www.srp.org.uk/	society of recorder players

Music exam boards

ABRSM	www.abrsm.org/?page=home
Trinity/Guildhall	www.trinitycollege.co.uk/

Folk music links

www.thesession.org/ International database of Irish music sessions plus more

Classical music downloads

www.classiccat.net/	this site catalogues other sites offering free mp3 downloads and streaming
www.passionato.com/	commercial download site
www.classicalarchives.com/	commercial download site
www.eclassical.com/	commercial download site
www.emusic.com/	commercial download site
www.theclassicalshop.net/	commercial download site

(Classical) music streaming

www.Spotify.com/en this site streams all types of music (free if you allow adverts)

Instrument manufacturers

The relationship between musical instrument companies, manufacturers, and brands is complex. An example is Buffet Crampon: this French company has its popular Buffet B12 clarinet made by a separate company (Keilworth-Schreiber) in their German factory, so although Buffet Crampon is a manufacturing company and does manufacture clarinets in its own factory in France (such as the R13 clarinet) it does not actually manufacture the B12 model.
