

**The Recorder - a brief guide to available (Baroque F/C) models May 2011**

**Prices:** the prices stated are the lowest retail prices stated by websites associated with specialist Recorder shops in the UK (£? indicates price unknown). Each manufacturer produces many more models than are listed below but only the cheapest models in each particular category of Recorder are listed.

**Categories of instrument:** within each size of instrument (e.g. Descant) there are 4 categories

- Plastic (or plastic and wood combination) - for beginner
- Wood – for student (usually Maple or a European fruitwood such as Pear)
- Boxwood (or various rosewoods) – for graduate/professional ensemble and solo work
- Grenadilla (or Ebony) for graduate/professional solo work.
